Lynette is Miss Altona 1969

Eighteen year old Lynette Deacon is Miss Altona 1969 in the Apex Quest.

Proudly wearing her sash after the announcement, Lynette accepts a trophy and cheque for \$200 from the Mayor of Altona, Cr. Les Crofts.

She also receives the \$50 entry fee to enter the Quest of Quests, judged on September 10.

For the final judging she wore a gown of pale blue bonded wool crepe trimmed with gold braid.

Lynette is a true Altona lass — she was born in the local hospital. She is the second daughter of Mr. and Mrs. Bon Deacon of Linnett Street.

Her hobbies are surfing, swimming, dancing and driving her VW car.

She works as a typist with a city import-export firm.

Eleven girls entered the quest. — Pauline Allen, Jackie Arthur, Gail Boorer, Frances Court, Lynette Deacon, Linda Dockeary, Valerie Eades, Shirley Ivory, Dagmar Kayser, Maxine Millar (a former Miss Williamstown) and Gayle Timms.

Judges were Cr. Crofts and Mrs. Crofts, Miss Gwen Weber of the Models and Mannequins Academy, Mr. Lindsay Symons, an Apex zone vice-president, and Mrs. Angela Fergus, Miss Apex Australia 1967.

The crowning ceremony was conducted by Cr. Crofts on Friday, at a Dinner Dance at Altona Central Reception.

Mr. Jack Foskett introduced the girls.

Runner-up, Gayle Timms, a fashion designer of Seves Street, also was invited to enter the Quest of Quests State Finals in September.

Council Must Control Expenditure

Play Leader Incident should be Closed Says Minister

That Altona Council must have full control over expenditure committed in its name, is an understandable viewpoint, said the Minister for Local Government, Mr. R. J. Hamer.

He was replying to the Lorna Clarke who has ap- Hon. A. W. Knight who had parently resented action made representations on be- taken by the Council, half of play leader Mrs. (Continued on page 2)

Speed up Sewerage but no Effluent wanted in Bay

Altona Council wants sewerage reticulation speeded up but is opposed to the discharge of effluent into the bay, a deputation from the Council last Wednesday told the Minister for Local Government.

The Minister, Mr. R. J. Hamer, is reported to have promised to consider a greater amount of money and higher priority for sewerage works in Altona.

He appeared sympathetic to the deputation and said he would consider the sub-

Leading the deputation was Mr. Larry Floyd, MLA for Williamstown. With him were the Mayor, Cr. Les Crofts, Crs. Pat Burns, Doug Grant, Charles Carlsson, Ray Richards, Harry Weaver and Bob Harrison, Town Clerk Mr. Jim Walters, City Engineer Mr. Ralph Simmons, Senior Health Inspector Mr. John Mellors and Mr. C. D. Parker, the consultant engaged by Council to investigate and report on pollution in the district.

Commenting today Cr. Crofts said several points were stressed by the deputation. Firstly that the Council

wanted sewerage reticulation speeded up in Altona.

And just as a previous deputation asked that the sewerage effluent from Altona should be discharged into the Werribee outfall drain, again last Wednesday it was stated that the Council is totally opposed to the discharge going into the bay off Altona.

It also was submitted to the Minister that the people of the western suburbs who use the Altona beach deserve more consideration from the Government than that which they had received in the past.

Mentioned was the fact that these people will be compelled to contribute towards the \$37,000,000 for the Cape Schank project. Thus why should \$400,000

be too much to ask for diversion of the effluent from Altona to Werribee?

It was pointed out that the Government has an obligation to the people in the western suburbs and that if the Government accepts the principle not to discharge effluent into the bay off Carrum then surely the same principle must apply at Altona.

On the one hand the Government refused the recommendation of the Board of Works officers for Carrum but on the other accepted it for Altona.

A greater amount of money and higher priority for sewerage works in Altona was requested and this the Minister promised to consider.

More money and quicker action are required, particularly as Altona's main drains are discharging polluted water to the bathing areas of the beach and Mr. Parker has recommended that action be taken to reduce the pollution in the drains.

Cr. Grant reports that the argument that the flow from Altona can be pumped to the Werribee outfall was supported by Mr. Parker who is an ex-officer of the Melbourne and Metropolitan Board of Works.

This and technical reasons why the effluent should not be put into the bay were put before the Minister.

They were based on the nutrient content on the present discharges into the bay as established by Mr. Parker's survey (including seaweed growth) and analyses compared to the estimated nutrient content of the proposed effluent from the treatment plant.

It is anticipated that the growth of seaweed will be considerably more than at present experienced and because of prevailing currents and winds in this area, it will drift back on to Altona beach.

This also supports the argument that the effluent should not be discharged into the bay at Altona but be pumped to the Werribee Outfall sewer and so confine the problem to one area while at the same time reduce pollution and seaweed problem at Altona.

The people of the western suburbs would then have beaches on this side of the bay suitable for recreational purposes.

EDUCATION WEEK IN ALTONA

Primary pupils show their eagerness as they get ready for a relay race and secondary pupils play a vigorous game of volley ball on Grant Reserve last Sunday week at the official opening of Education Week in Altona.

EDITORIAL

THE ELECTION YEAR

In the next 12 months the people of Altona and elsewhere will be required to take part in five elections for the council and the Upper and Lower Houses of this State and Federal Parliaments.

In our democracy, parliament elections have as a prime concern — numbers. How many seats will be won, not who will win. The personalities of the candidates are considerations but the need to support the favoured party is all important.

Only in the municipal election can the discerning elector give due weight to both these factors.

Numbers certainly count, a majority can control the council and adopt a policy which will affect the progress and finances of the municipality and ultimately the pockets of ratepayers.

On the other hand an individual councillor has great powers. Whereas in parliament he is but an addition to the voting strength and his voice but generally for Hansard, every councillor has an equal voice and can help to influence council decisions.

This has been clearly the experience in the Altona Council.

When three years ago Cr. Crofts stood alone in council, his voice was none the less effective. And Cr. Harrison in a similar minority, has had every opportunity to express his views.

Everything indeed points to the fact that the personality of a councillor has much weight in council.

So much publicity is given nowadays to council proceedings that in very fact "you can't keep a good man down". It therefore follows, that while electors must be fully concerned with general council trends and policies, the importance of choosing the best man available must be accepted.

And the best men will be necessary, to meet the situation in Altona. Problems facing Altona are increasingly calling for high technical knowledge and practical understanding. Advice on these matters is always given by council officials but the final decisions can best be made by men of necessary ability at the council table.

GEORGE KILLINGBACK

399-2063

BRICKWORK CONTRACTOR.

CITY OF ALTONA

TENDERS

Tenders closing at noon on Friday, September 5, 1969 and addressed to The Mayor, Civic Offices, 115 Civic Parade, Altona, are invited for the supply of materials and services required for Council purposes within the City of Altona during the year ending September 30, 1970.

1. Supply of crushed basalt products.
2. Supply of cement stabilized crushed rock.
3. Supply of bitumen emulsion-stabilized crushed rock.
4. Supply of foamed bitumen stabilized crushed rock.
5. Supply and spreading of cement stabilized crushed rock.
6. Supply and spreading of bitumen emulsion stabilized crushed rock.
7. Supply and spreading of foamed bitumen stabilized crushed rock.
8. Stabilizing of road pavements with cement.
9. Stabilizing of road pavements with bitumen emulsion.
10. Stabilizing of road pavements with foamed bitumen.
11. Supply and spreading of bituminous concrete.
12. Supply and spraying of tar and bituminous materials.
13. Supply of concrete pipes and culvert sections.
14. Supply of petroleum products.
15. Construction of concrete paths, kerbs and channels and vehicular crossings.

Particulars from the City Engineer.

JAMES W. WATERS,
Town Clerk.

COUNCIL MUST CONTROL EXPENDITURE

Contd. from page 1)
Mr. Hamer suggested the incident should be regarded as closed.

In a letter to Mr. Knight, the Minister said:

"I refer to your personal representations on behalf of Mrs. L. Clarke concerning resentment of the action taken by the Altona City Council, by whom she is employed as a Pre-School Play Leader, following the ordering of some additional equipment. I have now had some investigations made in addition to having had the file forwarded with your letter perused.

The fact is that the Council has issued a reprimand to one of its employees for what it regarded as an unauthorised purchase of equipment, however desirable that equipment might be for the play centre.

I can see that Mrs. Clarke probably has acted with the best of motives in ordering the equipment, but I can also understand the Council's view point that it must have full control over expenditure committed in its name. Whether a member of staff is to be allowed to appear before the full Council, or a Committee, to discuss the disciplinary action taken is entirely a matter for the Council itself, and I would certainly have no authority to give directions to a Council about it.

It seems to me most unfortunate that the matter

has been allowed to remain unresolved for all these months but I am unable to see any way in which I may properly intervene, beyond encouraging both parties to regard the incident as closed".

Readers Lose Interest in Permanent Displays

Librarian Miss Cynthia Patridge does not recommend a permanent stand for travel pamphlets.

In a report to Council she said — "Thank you for sending the travel pamphlets. We use one of the coffee tables in the lounge area for displaying travel literature and other browsing material and I have placed this collection there for the time being. Nearer to Christmas I plan to have a large holiday display and will use these pamphlets in addition to the large collection we have of RACV road maps, an accommodation guide and a guide to caravan and parking facilities. As regards library displays, variety is essential to maintain interest, and for this reason we never leave any display for longer than three weeks. Therefore, I would not recommend a permanent stand for travel pamphlets.

DOCKYARD WORKERS FEAR UNEMPLOYMENT

Altona Council has agreed to support Williamstown Dockyard workers in attempts to get Government ships built locally instead of overseas and so relieve the threat of unemployment which workers fear is not too far away.

Dockyard employees see no further work for themselves after the next 18 months, said Cr. Bob Harrison last week at the Altona Council meeting.

This situation was revealed to him when he recently attended a meeting of Dockyard workers and staff, said Cr. Harrison.

Cr. Harrison moved "That this Council expresses its grave concern regarding the future building programme of the Williamstown Dockyard, it realises that the Ship Building Industry is vital to this country's defence and merchant marine trade.

We call on the Minister for the Navy to see that all future naval vessels are built in Australian Dockyards, where a skilled and efficient workforce is employed at present; Further we can see what effect there will be on our local economy if work is carried out on a restricted basis at the Williamstown Dockyard.

Bearing this in mind this Council will assist in supporting the Deputation which is to go to Canberra to try and bring work to the Dockyard".

Cr. Charles Carlsson seconded the motion. "Bearing in mind the deputation, what kind of support do you have in mind?" asked Cr. Pat Lynch.

Cr. Harrison replied "These people are concerned about their jobs, they will be out of work, all 1,900 workers — 1,500 artisans and labourers and the rest are staff.

Annually these employees earn \$6,000,000 of which 40% is retained in the Williamstown, Footscray, Newport, Altona areas.

The loss of their wages will effect our economy. We should be concerned. I envisage we could be called upon to contribute \$100. This is a small return for the rates received, we will lose much more.

We must help to convince the Government not to get vessels from overseas but build them in Australia. If this industry is closed our young people would lose the opportunity to learn".

Cr. Lynch said he agreed in principle with the action but as money is involved, and an indefinite amount, he moved an amendment that the item be placed on the agenda for the next finance meeting.

Cr. Doug Grant seconded the amendment.

Scouts Hold Supper Dance

The 2nd Altona Scouts are holding a basket supper dance on Friday, August 22, at 8.30 p.m. in the Brooklyn Youth Hall.

Tickets can be obtained from Mrs. McPherson, 314-7228 at \$1 a head.

Preliminary Plans for some Seaholme Sewerage

Plans of two areas of Seaholme showing the location of drains and Council projects are being sought by the Board of Works.

The areas are the Bay-side Village Estate and the section bounded by Civic Parade, Millers Road, Board of Works drain and the railway line.

These are preliminary requests for the Board to determine the line of easements, explained Cr. Harry Weaver.

He added that the Board expects to have plans for sewerage the area placed before the Finance Committee in 1972 and if funds are available the areas could be sewered by early 1974.

EVENINGS FOR SCOUT LADIES' AUXILIARY

The next meeting of the 4th Altona Scouts Ladies' Auxiliary will be held this Friday, August 22, at 7.30 p.m., at the home of Mrs. Stevens, 19 Maidstone St.

The meeting will be followed by an Arts and Crafts demonstration by Mrs. Costello at 8 p.m. A donation of 40c will be collected, ladies are asked to bring a plate of supper.

On Tuesday, August 26, a Kandy Ware demonstration will be held at the home of Mrs. Jean Martin, Deavy Court, at 8 p.m. All mothers are welcome to both these nights.

THANKS FOR SCHOOL STALL HELP

The President of the Altona West State School Mothers Club would like to thank the parents of pupils at the school who donated gifts to the Education Day Stall. The sum of \$218.60 was raised.

She would also like to thank the Mothers who helped on this day, without their help and co-operation the stall would not have been so successful.

The special effort was won by Mr. Matthews of Laverton and Miss Michelle Money of Altona.

COUNCIL JOTTINGS

Forty candidates will be presented for naturalisation at a ceremony in the Civic Hall next Monday, August 25, at 8 p.m.

It will be conducted by the Mayor, Cr. Les Crofts.

The owners and occupiers of 219 Millers Road, Mr. and Mrs. Patros, have lodged an objection with Altona Council to the proposal to establish a veterinary consulting rooms next door to their property.

They were invited to attend this week's meeting of the General Purposes Committee.

Cr. Ian Stewart and the Building Surveyor, Mr. Arthur Beech, are to attend a meeting called to consider the aesthetics and standards of flat buildings.

Organizers are the Council of the City of St. Kilda and representatives of all metropolitan councils have been invited to attend.

Eighty-two sanitary complaints were registered at the Civic Offices during July. Monetary penalties amounting to \$118 will be deducted from amounts due to the contractor. In addition the contractor is to repair, make good or replace a damaged gate.

HYDE - SPENCE WEDDING

Photo by courtesy of Barry M. Sutton. — 397-6017.

A smiling Mr. and Mrs. Robert Edward Hyde leave Holy Trinity Church, Williamstown, after their marriage on August 2.

The bride Patricia, is the second daughter of Mr. and Mrs. Spence of Newport.

The groom, the youngest son of Mr. and Mrs. R. Hyde of Garden Street, Williamstown, is well known for his camera activities as he moves around the district for his employer, photographer Barry M. Sutton.

A gown of guipure lace was worn by the bride and

her full length veil was held in place by flowers.

She was attended by her sister Kathleen and Mrs. Maree Hanley. Both wore frocks of pink striped organza.

Best man was Brian Greer and groomsman Len Hanley.

A reception for 80 guests was held at Shirley Park. The couple drove to Perth for their honeymoon.

CANDY WARE AFTERNOON

An invitation is extended to all ladies to attend a Candy Ware afternoon on Saturday afternoon, August 23, at 2.30 p.m. It is being held at the home of Mrs. Nicholls, 46 Seves Street, Altona.

Admission is 50 cents which includes many door prizes and lucky numbers plus afternoon tea. Proceeds are to aid the local Spastic children and adults.

JEHOVAH'S WITNESS CONVENTION

Fifty members of the Altona Congregation of Jehovah's Witness will travel to Cobden for a Circuit Assembly next weekend.

Mr. Dennis from Altona will speak on the subject "Sharing Fully in the Bible Study Work".

Many people will stay in caravans at Camperdown and travel to Cobden each day for the sessions. Altogether 450 people are expected to attend.

SOCIAL BOWLS

At the social bowls held at the Altona Working Men's Club on Thursday night, August 14, the winning team was Marg. Spence (captain), Edna Hook, Alan Short and Dot Sheriffs.

The inter club bowls finished yesterday, August 19. The usual fortnightly bowls will resume in September. Dates will be announced on the notice board.

GOOD CROWDS FOR SQUARE DANCING

Square dancing is proving very popular on Thursday nights, as attendances are proving. One of the favourite dances is "Summer-time".

Congratulations were extended to Elaine Gunn for her engagement to fellow dancer, Russell Manners. Also birthday greetings to May Hick, Parer McDonald and one of the young men from Geelong, Harry.

A group of 32 Altona dancers had a most enjoyable night at the Square Dance Cabaret last Friday in the Caulfield Town Hall. Altona couple, Janet and Harry, were the winners of the monte carlo.

The Altona Square Dance is held every Thursday night in the Youth Club Hall, Civic Parade, from 8 to 11.15 p.m.

BONEHILL - STORY WEDDING

One month's honeymoon in Cairns followed the marriage on July 26 of Michael Raymond Bonehill with Sandra May Story at St. John's Church of England, Footscray.

The couple are pictured standing beside the bridal table at the reception at "459" Ballarat Road.

The bride is the only daughter of Mr. and Mrs. R. Story of Maidstone and the groom is the only son of Mr. and Mrs. Ron Bonehill of Galvin Street, Altona.

A gown of white lace was worn by the bride and her full length train was held in place by white carnations. She carried white carnations.

She was attended by three Matrons of Honour, Joy Marion, Elaine Whelan and Ruth Stock, and flowergirl Martine Foerg (the groom's niece).

They wore ice blue frocks trimmed with blue pearl sequins and carried white carnations.

Best man was Tom Marion and groomsman Graham Whelan and Peter Story (the bride's brother).

Mrs. Story wore a bone wool frock, matching check coat and peacock blue ostrich feather hat.

The groom's mother wore a bone wool coat dress trimmed with tan check and brown accessories.

NIGHT OUT FOR TWO

A night out at the Chevron for two people has been won by Mrs. McKie of Robin Street, Altona.

This was the main prize in a special competition run by the Altona West Kindergarten to raise funds towards the cost of a new carpet square.

Winners were announced at a Beetle Night on August 14.

Second prize was won by Sue Hudson of Stanley St., Altona.

The kindergarten auxiliary appreciates the support given this effort and asks mothers to note that meetings are held at 8 p.m. on the third Wednesday of each month.

The couple honeymooned in New Zealand and shortly will be moving into their home at Hoppers Crossing.

WALSH - SUTHERLAND WEDDING

The Rev. John B. Lawley hands the Certificate of Marriage to Ian Walsh and his bride, the former Gail Sutherland, after the ceremony on July 26, at Holy Trinity Church, Williamstown.

The bride is the only daughter of Mr. and Mrs. J. E. Sutherland of Webb Street, Altona. She wore a gown of French crepe and guipure lace and her full length veil was held in place by a crown of the guipure lace. Her flowers were gardenias and white hyacinths.

Bridesmaids, Carmel Molloy and Julie Best, wore mauve ottoman frocks and carried purple muffs.

The bridegroom, who is the youngest son of Mr. Robert Walsh and the late Mrs. Walsh, was attended

by his brother, Bill Walsh, and the bride's brother, Robert Sutherland.

The bride's mother wore navy accessories with a blue ottoman frock and jacket.

At the reception for 90 guests held at Talbot Hall, Williamstown, a telegram was read out from the bride's relatives in New Zealand.

For her going away outfit the bride wore a red wool frock with matching jacket and black accessories.

Val's Column

Hello Girls,

Wigs have been in focus lately, but just buying them is not enough. We must look after them. Always at the ready if kept on a wig head between wearings. A few rollers to hold set. A light scarf over to keep off dust. Good combings or brushings give a more natural look. Depending on amount of wear, the need for washing.

Half fill basin with warm water, add your shampoo; lift up and down while holding base. Lay in water, wriggle fingers through. Give several rinses. Roll up between two folded towels and press excess water out. Now add a touch of wig conditioner, combs easier, keeps healthier.

Draw point line on "face line" of wig base on your wig head. Ease damp hair to this and pin, to avoid shrinkage with tee pins. Suction cup under wig head stops your friend moving as you set or comb-up.

Water rinses can be applied when you feel like a change, or more permanently a tint; bleaching is not recommended.

Finding your cheeks hollow at this stage of winter. What can you do? Have you a freshener, an astringent?

Each day after cleansing, saturate cotton wool with your lotion and briskly pat your face and neck all over until the skin tingles refreshingly and takes on a youthful radiance.

A skin freshener is essential to keep pores refined to an ideal tension, particularly after cleaning, when these tiny openings in the skin are more relaxed than ever.

To brace and refine discuss your skin with us, find your stimulator, change that lazy circulation, melt out plugged pores, clear away blemish-inducing impurities, keep your complexion alive, blooming.

Summer is thinking of coming girls. Read up all those reducing exercises — and keep at them. A good exercise to start with is to move head side to side — especially at pantry door.

To make this easier to start come and see I. L. Herbert for some trim tablets to suppress your appetite and a diet chart.

Bye for now. — VAL.

Western Suburbs Promotion Plans

The Sub-Committee of the Western Suburbs Municipal Association has decided to invite Dr. Ledger and other Town Planning experts to confer with them at their next Meeting, on the promotion of the Western Suburbs.

According to the Sub-Committee, there are five pressing needs in the development of the Western Suburbs, namely:

Effective Planning; Beautification; Education; Recreation Facilities.

Publicity of the development of these needs is of the utmost importance.

Discussions may also be held with development companies interested in the industrial, commercial and residential development of the area, with a view of seeking their participation in the future development of the Western Suburbs.

Public Phone for Bayside Village

A public telephone booth is to be provided for residents of the Bayside Village Housing Estate.

But they will have to wait for equipment which is now in short supply.

The Postmaster-General's Department has informed Altona Council that this estate has now reached the stage where the provision of a public telephone can be justified on a usage rate which will provide for the high cost of installation and continuing maintenance.

The Department proposes to provide the service, when equipment now in short supply, becomes available.

The location will be alongside the footpath, on the east side of Millers Road about 220 feet north of Noordenne Avenue.

Great Day for Altona

With a near record crowd, Altona Soccer team played Keilor City at Kim Reserve on Saturday. After a very exciting match the game was drawn at 2 all.

Altona tried desperately in the first 10 minutes of play and finally popped home a goal by Savage. He netted the ball after it rebounded off the keeper after good play by Herman, Coles and King.

Keilor were stung into an all out attack but Jim Balish thwarted their attempts. A rocket shot by Savage flew narrowly past the post. After a free kick, Billy Kerr swung over a perfect cross and Ray King raced in to head home Altona's second goal.

Keilor City are close to winning their way into the State League and were determined not to go down without a fight. After the interval they tore into Altona. It was easily the most exciting game ever seen on Kim Reserve.

Keilor got a well earned goal as they caught the Altona defence flat footed. With victory in sight and only one minute to go, a penalty was awarded to Keilor after a goalmouth scrimmage and they slammed home a goal. When the whistle blew the match was a draw.

This week Altona play Coburg, again at home, in a game that could well decide which team will be relegated to Division 2. Coburg, Sunshine and Altona are the sides in danger.

The Reserve XI is taking on a youthful look and attracting a number of spectators. They must be encouraged for Altona to reach the top in soccer requires youth, skill and fitness.

Special Effort: No. 205.

JUNIOR SOCCER SCORES

Altona U. 14 soccer team played J.U.S.T. in the quarter finals of the Victoria Cup and ran out winners 3-2.

Goals were scored by Downes, Spencer and Hamil. By this win the team qualified for the semi-finals in September.

The Under 12 team were not so lucky in their quarter final game against Melbourne, losing by the only goal scored. It was a good game between two very even sides. The Under 12 team play in Adelaide in September.

Next week's games: Saturday 10 a.m. Under 10's replay — Altona v. Karlingal.

Next weekend an U. 16 team is coming over from South Australia and will play on Saturday at 1.30 against Corio and on Sunday against Altona at 2.30 p.m. The Under 14 team play Sandringham at 1 p.m. on Sunday.

Special effort: 1st 53, 2nd 52, 3rd 41.

The U. 10 team played Karlingal in the quarter finals. No goals were scored in the first half and after interval R. Spinner scored a goal for Altona. Karlingal retaliated with a goal. Both teams tried hard to get the winner but the game ended in a draw. They played extra time of 20 minutes to reach a decision, but the score remained the same, making a replay compulsory.

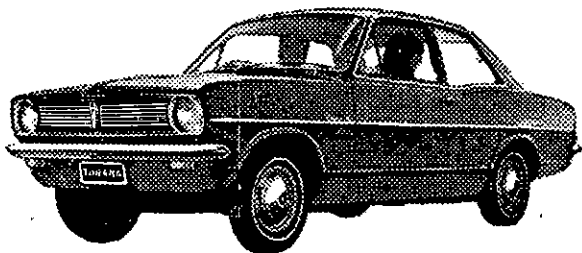

MADAM MAWER'S SCHOOL

Piano playing and guitar, piano accordion, electric chord organ and pop singing. Full particulars may be obtained by phoning 391-1667, or call 179 Mason St., Newport. Children and adults catered for. Fees payable by lesson or in advance, if desired.

Mixed Sports Night a Success at A.W.M.C.

Sixty four players contested the games at the successful mixed sports night held last Sunday at the Altona Working Men's Club.

In sixteen teams of four they played darts, bowls, hockey and quoits, and in the novelty section, attempted to identify the liquid content of twelve jars by the shake, smell and then guess method.

Honours for the night went to the team captained by Marize Pugsley playing with Margaret Edgington, Ralph Welburn and A. Delrymple.

Theirs was the highest score, 11½ points, and each was presented with a travelling rug.

Lorna Jackson won the sample bottle of water brought back from the Sea of Tranquility by Astronaut Armstrong — her guess was right — rainwater.

A visiting team of exhibition bowlers left some spectators in doubt as to what particular indoor sport they were playing. Their "bowling" did not seem to reach amateur standards but their costumes were appealing.

ASSOCIATES ANNUAL MEETING

The ninth annual meeting of the Associate section will be held at the club-rooms next Monday, August 25, at 8 p.m.

Annual reports will be presented and office bearers elected for the 1969/70 year.

As August is the section's

birthday month, a social evening will follow the conclusion of business for the annual meeting. A birthday supper will be served.

Ladies are reminded that all monies for the snow tour must be paid by this night. Tickets, same price for adults and children, are \$1.85 each. Further information on the trip planned for the last day of the month, August 31, will be given to members at the annual meeting.

LAWN BOWLS

Brushwood wind breaks for the new bowling green are being organised by the committee of the "Green" Bowls section. As this could be quite an expensive necessity, a self help scheme combined with a pleasant outing has been devised.

A picnic trip will be held to Grantville (61 miles from Melbourne, on the South Gippsland Highway) on Sunday September 7, to the property owned by a friend of the committee. On it are acres of ti-trees to which members can help themselves.

Main equipment required will be axes, string and trailers, beside barbecue eats. Cooking facilities are available.

More information on the Ti-Tree Barbecue Picnic to Grantville will be found on the club notice board.

A.W.M.C. TEAM WIN VICTORIAN CHAMPIONSHIP

In a fine display of bowling, the Altona Working Mens' Club won the Victorian Fours Championship on August 3.

The team was captained by Austin Malloy and included Syd Burgess, Fred Saunders and Bob Yates.

Seminar for Senior Municipal Officers at Altona

A seminar of senior administrative officers and rate collectors will be held in the Civic Hall on September 11.

Council has agreed to an application from the Institute of Municipal Administration, Victorian Division.

The Town Clerk, Mr. Jim Waters, commented "As State President I have been active in organising the seminars in past years and have been deeply appreciative of the fact that Altona Council has made available the hall on one or two days depending on the length of the seminar. This year there will be one day at Altona and one day at the Country Roads Board offices at Kew."

The Mayor of Altona will be invited to attend at 9.30 a.m. to officially declare the conference open and to welcome the delegates who come from all parts of Victoria.

FREEWAY LOWERS RATE REVENUE

Altona has lost about \$80,000 annually from the properties acquired for the Freeway for the Lower Yarra Crossing.

One hundred houses have gone, pointed out Cr. Harry Weaver at the last Council meeting.

He asked if there was any way in which the Council could recoup this loss of land and rates.

There is not much can be done to get it back again, it is one of the things you have to live with, commented the Deputy Town Clerk, Mr. Harry Trueman. He said he did not think it possible to claim for reimbursement for loss of rates.

Cr. Weaver said he thought if money for this was available it could have gone into beautification works.

Over five years the Freeway will cause a considerable loss to the community, said Cr. Grant, who asked if it would be a lost cause to write to the appropriate department?

City Engineer, Mr. Ralph Simmons, agreed with Mr. Trueman.

Mr. Simmons said he believes there is nothing the Council can do. When the Government purchases the land it becomes dead land with no rate return.

Cr. Pat Lynch concluded the remarks by saying that at present it is not quite as big a loss as most of the owners of acquired properties had moved into new houses in the municipality.

HOVERCRAFT FOR ALTONA?

A current feasibility study of the use of hovercraft on Port Phillip Bay will include Altona.

Cr. Bob Harrison wrote asking Mr. Nathan Bellar (high rise flat developer) if he would consider including Altona in his scheme for using these craft.

The reply from Hovercraft Enterprises of Australasia Pty. Ltd. stated that with their associates, H. C. Sleight Ltd., the company is conducting feasibility studies which will include the City of Altona part of the operation and in due course a company representative will visit a member of the Council.

Another try for Rail Extensions

Grieve Highway Crossing not needed say Chamber of Commerce

Further attempts to make a reality of the proposal to extend the Altona railway line to Westons are to be undertaken by Altona Council and Altona Chamber of Commerce suggests that the main delay to the plan, provision of a crossing at Grieve Highway, is not necessary.

Consideration should be given to extending the line without any provision for a road transport crossing at this point, wrote the Chamber of Commerce secretary to the Council.

He said that at a recent meeting, members discussed the proposed extension and the main delay, the Grieve Highway overpass.

Some questioned the need for any crossing.

A resolution was passed by the Chamber requesting Council give consideration to a further approach to the Victorian Railways Commissioners, for extension of the railway to Altona West at an early date, without provision for a crossing at Grieve Highway.

When it came up for discussion, Council deferred the letter until later in the night pending a report by Cr. Bob Harrison.

Cr. Harrison recalled past action on attempts to have the line extended including Council's offer to finance the cost of boom gates. This did not meet with the approval of the Abolition of Level Crossings Committee which is against establishment of any new level crossings. A costly overhead pass is the alternative.

Cr. Harrison suggested negotiations should be reopened.

He offered two proposals: One a letter be sent to the Premier, who also is the Treasurer, asking if he is prepared to make the money available for this service.

His second proposal was that the Council provide funds for grade separation.

Police Stations Under Staffed

"Before a police car, answering a call, arrives on the scene of a misdemeanor, the culprits or bandits have plenty of time to get away on roller skates", said Cr. Pat Lynch at the last meeting of Altona Council.

He cited a recent accident near his home which occurred at 11 p.m. For seven minutes he tried to raise Kingsville Police Station and then for the same time the Altona Police, said Cr. Lynch.

Obviously the stations are under-staffed, he added. Residents of Altona North have their homes broken into and families are endangered and Councilors are irate at the lack of police at the Kingsville Station which covers the Altona North area, said Cr. Lynch.

He contended the area is not properly covered and not only are more policemen needed but so is the Altona North police station.

CANBERRA DIARY

By Merv. Lee, M.P.

The weather has been moderate but changeable between rain and clear sky this week where many pensioners gathered to talk to their representative about a better deal for those who are advanced in years.

At 8 o'clock on Tuesday night with the gallery and the house full of people, the Treasurer rose to present the details of the 1969/70 Budget which has been applauded by people in many walks of life. The increase in pensions will certainly assist the sick within the community, the less fortunate and the aged. The ease in the means test is indicative of the policy of the Gorton Government. The primary producer must have been gratified to hear of the increase in the subsidy in super phosphate, but with the constant pressure of his prices and rising costs, his economic position is not as favourable as in former years.

I was disappointed that there was no reduction in taxation for the highly taxed people in the middle income bracket. We must guard against loss of incentive by these people who find that they bear a heavy taxation burden, however I know that the Treasurer is acutely aware of this problem. Generally I feel that the budget was one which was both delivered and received with confidence in the future of our country.

Thursday in the house was set aside as the day when members put forward their grievances.

A matter which I raised and about which I feel most deeply — perhaps more so as I have a young family — is the dreadful carnage on our roads of teenagers. I intend to advocate for drastic action to prevent these accidents which week after week are shattering families. I feel quite sure that parents on the whole would welcome any form of legislation which would ease the dreadful worry they constantly face regarding this problem.

The exuberance of youth cannot be controlled, the speed of cars can be controlled, and I feel that our society generally is disturbed by the emphasis which is made on the speed of new cars by manufacturers. I earnestly hope that action will be taken both in the Federal and State spheres to ease this situation. Statistics show quite clearly that Australia's record of road accidents on a population basis is worse than in America, New Zealand and the United Kingdom.

L.A. MEETING

The Local Association of Altona guides and brownies will meet in the Guide Hall, Civic Parade, at 7.45 p.m. on Thursday, August 21.

New members will be most welcome.

This is an opportunity for parents to help their girls and give support to the Guides and Brownies.

C. W. A. SOCIAL DAY

Altona Branch of the Country Women's Association will hold a social day next Monday, August 25, at the home of Mrs. Kee, 106 Queen Street, Altona.

At the meeting earlier this month an interesting talk on her recent overseas trip was given by Mrs. Ruby Ingwersen of Bent Street. With her husband she visited America, Canada, Honolulu, Japan and Hong Kong.

NEW MANAGER FOR COLES STORE

Mr. John Harty, formerly of Maffra, is the new Manager of Coles Stores in Pier Street, Altona. The present Manager, Mr. M. Beary, has been transferred to Colac. Mr. G. David, Sub Manager, has taken over from Mr. M. Zalacos.

D.L.P. Meeting at Sunshine

Speaking to members of the Sunshine branch of the D.L.P. at their meeting last Tuesday, John Bacon, D.L.P. candidate for Lalor said that the most striking example of the power of the anarchist clique within Monash University was given by the university authorities themselves when they were forced to hold an important meeting in secret in the Alfred Hospital. The reason given for these meetings no longer being conducted in the Monash University Administrative building was that each attempt is disrupted by takeover of the building by students belonging to Monash Labor Club.

Mr. Bacon told the meeting that so bad is the situation at Monash that the Vice Chancellor is wringing his hands and saying that if he had to redesign Monash he would not include an administrative building!

The general public pays plenty in taxes to finance university education and is concerned that special privileges apparently apply to a minority group of Monash dissidents led by a China-line revolutionary that allows the group to conduct an organised campaign to disrupt university work without fear of punishment. A youthful laborer who disrupts the peace at any public gathering is rightly restrained by the law. Railway apprentices are not allowed to indulge in takeovers on the job, but a handful of university youths can act with impunity on and off the campus.

The recent D.L.P. conference deplored the fact that Australian Universities are at present the target for a national campaign of organised disruption, said Mr. Bacon.

Conference delegates resolved that university authorities must make it clear that the wilful disruption of legitimate university activities and functions will be regarded as requiring the suspension or expulsion of any student, proven after due enquiry, to have taken part in such activities.

Mr. Bacon concluded by saying that if this is not done the D.L.P. believes that universities are in real danger of being transformed from centres of learning to centres of politically motivated off campus mass action.

WHICH LABOR MAN FOR LALOR?

By Tom Gilhooly, Chairman, Lalor Electorate Committee, Independent Labor.

Lalor, under the new boundaries, seems certain to be a Labor seat.

The only question is which Labor man should represent the district.

The Victorian ALP Executive has over-riden the claims of local party members (including some of the best Labor councillors in the metropolitan area) to give the endorsement to a resident of Kooyong electorate who wanted instead to be endorsed for Melbourne.

But Labor voters in Lalor will have another choice.

Independent Labor will put forward a Labor candidate who will be a local resident, concerned with local needs and pledged to restore unity to the Labor movement.

Lalor is a problem electorate with poor drainage, miles of unmade streets and urgent social needs. It wants the constant and full-time attention of a good hard-working local MP. (one of the Labor councillors from the electorate would be ideal), yet the Executive's candidate wants a seat that does not need looking after because he "has speaking engagements all over Australia", or, in other words, he wants to be free to stir up trouble for other State Executives which, whatever their faults may be, at least represent a wider spectrum of Labor opinion than does the Victorian executive.

Drama Festival for Schools

Altona Drama Group arranged a Drama Festival for schools which was held in the Civic Hall on August 12. Only 2 schools participated, St. Paul's College and Altona High School.

They presented, respectively, "The Reluctant Doctor" by Moliere and "Transaction", which can best be described as a series of sketches and musical numbers.

As the whole object of the exercise was to compare plays presented by different schools, no comparison was possible and the play presented by St. Paul's was the winner. Leaving choice of production aside however, the following points were noted from the summation made by Miss Lorna Kirwood-Jones who adjudicated.

Considering "The Reluctant Doctor" cues need to be picked up very quickly in this type of play and also the use of period costume clashed with the modern setting. Best performance was credited to Michael Shields who took the part of Sir Jasper. Gary Smith and Sam Cutajar received honourable mention.

Considering "Transaction", the beginning was rather slow but it held the attention and Miss Kirwood-Jones said she was very impressed with it. The level of acting was very even throughout and it proved difficult to single out one person, however, Harry Van Dyke was given a special award for his performance.

Prizes were presented by Cr. W. L. J. Crofts, Mayor of Altona and the winning school received a perpetual trophy consisting of a bronze figure on a wooden base.

The performance was supported by an enthusiastic audience which filled the Civic Hall.

It is hoped that next year other schools will participate to add to the competitive nature of the occasion in what, it is hoped, will become an annual event.

CAMERA CLUB NEWS

At the last meeting of the Altona Camera Club on Friday night, the meeting was thrown open to discussion among members. The new syllabus is now available with the programme, arranged from September to April, 1970. In it, the monthly competitions for the next year are listed.

Next Friday, August 22, is the deadline for this month's competition. The theme is Abstract (created effects). Entries are to be spotted and numbered ready to hand to the print steward.

The Camera Club meet every Friday in the month (except the first). The next meeting is Friday, August 22, at 7.30 p.m., at "The Homestead", Queen Street. Phone 398-1937 for inquiries.

ALTONA WEST S.S. NEWS

The monthly meeting of the Altona West State School Committee was held on August 13.

A cheque for \$400 was given to the School Committee by the Mothers' Club. Also another \$400 was handed to the Committee from the Canteen profits.

But campaigns need help. Those who want to see strong, democratic representation in Lalor are asked to leave their names with the Electorate Committee at 90 Hampshire Rd., Sunshine (Telephone 311-6015 and messages can be left at all hours) or send donations to Box 141, Sunshine.

Authorized by Thomas Hugh Gilhooly, 90 Hampshire Road, Sunshine.

New Committee for Lapidary Club

Founder of the Western Suburbs Lapidary Club in 1966, Mr. Jack Dean, was re-elected for a further term as president at the annual meeting held in July.

Elected as vice president and assistant were Mr. Tom Saker of Williamstown and Mr. Jack Ryan of Werribee.

Secretary is Mr. Ron Tuckett of Altona and treasurer Mr. Len Noble of Sunshine.

Mr. Noel Jones of Yarraville is assistant secretary and he and Mr. Charles Lloyd of Oak Park are field officers.

Again Miss Dorothy Lyons of Seddon is first aid officer for field trips.

Mrs. Betty Walker of West Newport continues as librarian and honorary member. Mr. A. Walker of South Kingsville is still museum curator.

Official photographer is Mr. Eric Rigg of East Keilor.

At the first general meeting of the new committee and members on this Thursday, August 21, bark painting will be demonstrated by Mesdames B. Walker and Hunt.

The competition will be for the most unusual stone. Last month's competition for the best specimen stone, was won by Mr. Reg. McDonald with a green calcite crystal in basalt found on the club's last field trip to Flinders.

ST. PAUL'S FOOTBALL RESULTS

SATURDAY, 16/8/69

U. 12:

Showing better teamwork and playing a more determined second half St. Paul's earned second place in the final four with a good win over Sunshine Crows.

St. Paul's 7-4 — 46, defeated Sunshine Crows 4-6 — 30.

Best: B. Burnett, I. Jackson, M. Hyland, E. Jones, V. Pino, S. Grist.

Goals: A. Antonello 2, B. Burnett 2, J. McCarthy, B. McMahon, V. Pino.

Next match on Saturday week, August 30, at Skinner Reserve, Sunshine against Albion No. 1 in the 2nd semi final starting at 12.15 p.m.

U. 14:

St. Paul's were never allowed to get into the Grand Final at Yarraville by a much bigger and physically stronger Brooklyn team who are to be congratulated on being undefeated Premiers for 1969.

St. Paul's 5-3 — 33, lost to Brooklyn 12-12 — 84.

Best: Johnny Hassett who stood out as best man on the ground with Steve Mandics, Chuck Parker, Mick Pearson and Tony Cutroni best of a battling St. Paul's.

Goals: P. Walsh 2, C. Bagot, P. Collins, J. Hassett.

U. 16:

A weakened St. Paul's team who nevertheless battled hard were no match for a classy Spotswood team and finished the season a disappointing fifth.

St. Paul 45 — 29 lost to Spotswood 26-17 — 173.

Best: N. Gandolfo, P. Sanger, G. Fitzgibbon, A. Hersbach, S. Jackson, P. Lelkes, K. Shaw.

Goals: N. Gandolfo, A. Hersbach, C. Muscari, M. Szalay.

GRAND FINAL WIN FOR BASKETBALL

Altona Methodist Basketball Club had a most successful day on Saturday with one team winning a premiership and the other team being narrowly defeated by one goal to become runner-up.

A RESERVE

Playing strongly, this team won their fourth premiership in a row, these girls have been playing together since they first started basketball in C Grade.

The match was played at Wilkin Street, Newport, in ideal weather conditions. Altona led from the start and were much too fast for the St. Andrews team, this was a real 'team' effort and the girls are to be congratulated on their fine display of basketball. Final scores were 25-14.

Five members of the team attend Altona High School, they are: Rhonda Douglas, Robyn Webb, Ruth Beales, Glenys Thompson, Sue Elliott, the two other members are: Val Buchell and Elizabeth Cahill.

B GRADE

Playing at Elizabeth St. School, this was a most exciting game, Wood St. narrowly defeated Altona by one goal.

Altona girls are to be congratulated on the way they played, it was a real team effort and every girl did the job that was asked of her. Altona led at half time but at ¾ time Wood St. had hit the front, Altona put everything into the last quarter and were playing on strongly until the final siren. This team has had a good season. All team members attend Altona High.

Members are: Kaylene Langdon, Elizabeth Barnes, Lesley Hyde, Dianne Adams, Dianne Elliott, Cheryl Young, Christine Robinson and Maree Sleeman. Final scores were: 22-23.

The Association Presentation Night will be held at Holy Trinity Williamstown on September 21.

Altona Undefeated Premiers

By scoring a magnificent win at the expense of Newport last Saturday, the Altona Under 16 football team completed their second successive year as undefeated premiers.

This gives them a total of 31 victories straight. Scores were: Altona 15-12, Newport 1-4.

When Ron Gordon got a big knock at the first bounce and Altona raced the ball forward for Wayne Patton to score 1st goal, the pattern of play for the whole game was set. Groves snapped the next goal and after receiving a daisy cutter pass from Morgan, Blokkeerus put through a long goal.

Each time Newport attacked they found Frank Greco (marking spectacularly) a stumbling block. He was well backed up by Dawson and Puopolo on the flanks and when play transferred to the other end Dern passed to Hitchcock who goaled to give Altona a handy 27 point lead at quarter time.

The second term began with Hitchcock in great form, marking twice and kicking truly on both occasions. Courtot, now at centre half forward, kicked truly and the same players then out manouvered a pack of players to snap a left foot goal. Newport then scored what was to be their only goal for the game. This seemed to spur Altona on as they raced forward for Hitchcock to mark and goal. He goaled again from a free to make his tally 4 for the quarter. Roosenboom and Haining figured prominently in the forward moves.

Altona started well in the 3rd quarter for Hitchcock to again goal.

Enzo Valente showed great pace to notch the next major. Wayne Patton who had received a heavy knock, was sent to the forward pocket to rest but showed he had other ideas by snapping 3 goals.

The Morgan twins took over the roving to give their side great drive around the packs.

In the last term the local boys appeared content to hold their lead and coast home to a very easy victory. The most pleasing feature of the game was the way each and every player fitted into the pattern to make a closely knit team. In the last term Gates and Scarff, the reserves, had a run and quickly proved how unlucky they were not to be on all day.

Best players: R. Gordon, N. Courtot, F. Greco, D. Hitchcock, J. Roosenboom, W. Patton, W. Groves. Goal kickers: D. Hitchcock 6, W. Patton 4, N. Courtot 2, W. Groves, J. Blokkeerus, E. Valente 1 each.

Star Votes: 3 R. Gordon, 2 N. Courtot, 1 F. Greco.

FINAL STAR VOTES	
N. Courtot	18
W. Patton	17
W. Groves	15
R. Gordon	13
Leading Goal-Kickers	
D. Hitchcock	40
W. Groves	40
W. Patton	35

E. Valente	11

Church Football Grand Finalists

The Altona Presbyterian Under 12 and Under 15 football teams have both made the Grand Finals of the Western Suburban Protestant Churches League. They will play their Grand Finals next Saturday at the Williamstown Oval.

The Under 12's start at 8.45 a.m. and will be followed by the Under 15's. All local football followers are urged to go along and support these boys in their endeavour to win their first ever Premierships.

WESTERN SUBURBS DART PLAYERS WIN STATE CHAMPIONSHIP

These Western Suburbs dart players recently won the State teams championship. Back row — N. Bennett, J. Hibbs, R. Barker, D. Strik. Centre row — K. Kennedy, G. Gillham, C. Holton, H. Parkinson, S. Humphries, C. Neal. Front row — B. Smelt, S. Coff, N. Jessup (Capt.).

Seaholme Dart players have finished the season on top of the Division 1 ladder of the Western Suburbs Dart Association. They were one match clear of Rovers. Gellibrand 1 with a three match lead were the clear leaders of Division 2. Powell missed out on a place in this four by percentage only.

Final placings were —

Team	P.	W.	L.	P.
Seaholme	14	12	2	24
Rovers	14	11	3	22
Bristol	14	9	5	18
I.C.I.	14	8	6	16
Melton	14	5	9	10
Central	14	5	9	10
Commercial	14	3	11	6
Pioneer	14	3	11	6

Division Two

Team	P.	W.	L.	P.
Gellibrand 1	14	13	1	26
Yarraville Club	14	10	4	20
Racecourse	14	8	6	16
Plough	14	6	8	12
Powell	14	6	8	12
*A.W.M.C.	14	5	8	11
Goodrich	14	4	10	8
*Bridge	14	3	10	6

* Drawn game. Singles and doubles competitions will keep dart players occupied during September.

All team secretaries have entry forms for these events to be played at the Altona Working Men's Club on the four Wednesdays in September — 3, 10, 17 and 24.

Members are looking ahead to the dance on Friday, November 7, also at the Working Men's Club. Tickets are selling fast.

WESTONA LITTLE ATHLETES CLUB

Members of the committee are reminded that the next committee meeting shall be held on Thursday, August 21, in the home of the President, 18 Merritt Court, Altona, commencing at 8 p.m.

ALTONA TENNIS CLUB

Any player wishing to play Summer Pennant, please give their names to the Secretary (D. White), or Junior Secretary (G. Wood), by August 24.

CITY OF ALTONA APPLICATIONS

Applications are invited from all organisations interested in using any of the Council's Sports Grounds during the summer period commencing October 1.

Applications in writing, stating the ground and specific times required, together with all other relevant details, close with the Town Clerk, Mr. J. W. Waters, at 4 p.m. Monday, September 1, 1969.

H. R. TRUEMAN,
Deputy Town Clerk.

WEST GATE RUGBY UNION RESULTS

SATURDAY 16/8/69

Under 12:
W'town/Altona v. Box Hill
played at Box Hill.

Scores: W/A lost to Box Hill 35 to nil.

Best: Ian Church, Michael Gurkin, Peter White, Martin Humphries.

Playing several relatively new players this game produced experience for next year's under 12 team and the result was as expected.

Under 14:
W/Altona v. Power House
played at The Strand Reserve, Newport.

Scores: W/A won 9 to 3.
Scorers: James McKendrick, Paul White, Terry Manoussakis.

Best: Anthony Fishley, Terry Manoussakis, James McKendrick.

This well matched game produced good exciting Rugby.

Under 16:
North Altona Tech. School v. Army, played at Langshaws Reserve, Altona North. Scores: Army won 20 to 6.

Best: Paul Elias, James Terris, Philip Littlewood, Ross Ritter.

Undeclared Army had their boast that their line had not been crossed this season ended when Paul Elias flashed down a try from 25 yard line. Good teamwork by A.N.T.S. kept scores level until the closing phases, when Army took off in a scoring spree.

Eastwood (Sydney) visit:
Eastwood District Junior Rugby Union, Sydney, is sending an Under 12 team and an Under 16 to visit West Gate Junior Rugby Union during the school holidays. Matches will be played at Footscray Park.

Eastwood is being billeted by West Gate.

Monday 25/8/68, Wednesday 27/8/69 and Friday 29/8/69 the Under 12s at 10 a.m. and the Under 16s at 11 a.m. Wednesday 29/8/69 match is Eastwood v. Victorian Junior Rugby Union State Under 16 in which 3 A.N.T.S. boys have gained representation.

ALTONA CRICKET CLUB NOTICE OF ANNUAL GENERAL MEETING

Members are advised that the Annual General Meeting of the above Club will be held at the "Homestead", Queen Street, Altona, on Sunday, August 31, 1969 at 10.00 a.m.

Nominations for Office Bearers close with the Secretary, Mr. G. Hosken, 1 Mahon Avenue, Altona North, on Sunday, August 17, 1969.

WIN' FOR LADIES HOCKEY TEAM

Under shocking ground conditions, Altona Ladies "B" Grade hockey team played Blackburn, who are 4th on the ladder.

Altona had replacements in the team. Christine Hitchcock and Vi Smith who are to be congratulated for their efforts.

Altona had beaten Blackburn previously and felt they must repeat the performance, but Blackburn were equally determined not to be defeated. The nil all score at half time reflected both teams' attitude.

Altona's forward line worked hard, particularly Sabine Strohl, but Blackburn's defence were too strong. Play became rough and scrappy. Altona's chance came with a short corner, hit out clearly by Alison Scherman to Kristine Harley, who scored the only goal for the match.

Towards the end of the game, Altona's defence came under severe pressure. Goalie Heather Harley did all that was expected and kept Blackburn scoreless.

Full credit to Altona with Blackburn's pressure and the ground conditions, tremendous exertion was necessary.

Best players: K. Harley, H. Harley.

GYM CLASSES AS USUAL

The Altona Presbyterian Girls Gymnasium will be holding gymnasium classes as usual during the school holidays.

There will also be an additional class for sub-juniors only at the Church Hall on Monday, August 25, at 2 p.m.

ALTONA PIGEON CLUB

Results of the 2nd Ma-thoura Pigeon Race of 140 miles are:

1st: R. & R. J. Richardson 3-45-45, 1,107 ypm.
2nd: G. & J. Rattray, 3-50-41, 1,080 ypm.
3rd: G. & H. Ward, 3-52-03, 1,077 ypm.
4th: Atkinson & McGraw, 3-53-17, 1,072 ypm.

LAWN BOWLERS REACH SEMIS OF INDOOR BOWLING

Two of the four teams in the semi-finals of the indoor pennant bowls for the North West Groups are Altona Bowling Club teams. These two teams will play each other in one of the semi-finals.

The teams comprise Bruce Nicholls (Lead), Don Waters (2nd), Alan Butterworth (3rd) and Brian Harrison (Skipper) — and Ivy Mitchell (Lead), Duncan MacKellar (2nd), Glad MacKellar (3rd) and Pat Gischus (Skipper). Interest is mounting at the Club as to whether an all male team will beat a team of three women and one man.

The semi final games were played at Strathmore Bowling Club House last night.

There were 35 people at the inter club day on August 12. Elsie Lock, on behalf of all visitors, thanked the President and Committee. She commented on the friendly atmosphere at the club and hoped it would continue. The winning rink was Beryl Davis, Glad MacKellar and Pat Gischus.

Guess who won the chicken dinner donated by Jim Stephens — Phyl Stephens.

The aggregate scoring sheet was finalised on Thursday, August 14, with the honours going to Queenie Cox and runner up Carman Ford.

The games played on August 14 went to Beryl Davis, Glad MacKellar and Win Neal.

On Friday, August 15, a "Petra" jewellery representative, Mrs. Dorree Allen, gave a most interesting and instructive talk to a small attendance of members. As hostess, President Phyl was asked to choose a gift of an Abalone bracelet, which was won by Mrs. Dot Hibberd.

After the working bee on Sunday, a worker commented on the general appreciation of the scores sent to them by Edna Russell.

Vera and George Sevier have returned from three weeks at Mount Gravatt, 9 miles from Brisbane, where they stayed with their daughter Marj and son-in-law Alby Clark and grandchildren. George enjoyed his catches of whiting at Jumping Pin, Moreton Bay. Vera had a good two days of bowling at Burleigh Heads. The greens were like lightning. Both are looking well.

At Yass they met up with Isla Probert, also on her way home. Isla was very surprised to be met at the train door by Vera. Isla was returning from Canberra where she stayed with her son-in-law Trevor Jobling — daughter Peg was in hospital. Isla now has Alvie and Clarrie with her in Melbourne.

REMINDER. Social club members Lindsay Craig, Bon Deacon, Clem Griffiths, Bert Hill, Clive Millichip and Bruce Nicholls have organised another picture night for next Friday night, commencing at 7.30 p.m. The projectionist is Mr. Jim Ness.

TABLE TENNIS

SEMI-FINALS D3 & E4

These grades play 8-team rounds and their semi-finals therefore follow the League system and were played a week earlier than the other grades.

In the second semi-final, Seaholme (B. Marlow, T. Simmons, B. Simmons) and Saints (R. Kelly, R. Caswell, P. Anderson) were opposed. While these teams were almost level on ability during the season, Seaholme, with the Simmons clan in rare form, forged to an early lead, and went on to win well at 6/1. R. Kelly was best for the Saints.

E4 semi-finals were rather one-sided. In the first match, top team of Reckitt & Coleman (Colleen Duncan, Beverley Powell, Yvonne Freeman) were challenged by Snappers (John Catchpool, J. Bester, B. Smith). Although the ladies team had a better performance record during the year, Snappers won the first three rubbers narrowly, lost the doubles, and then went on with confidence to take out the match honors 6/1. Colleen Duncan was best for Reckitt's team, who were below normal form.

SEMI-FINALS OTHER GRADES

In other grades (six teams) semi-finals will be played during this week at the Table Tennis Centre, Garden St., Williamstown (397-7681), as follows:—

B1 — Footscray (R. Ross, R. Wakelin, S. Hayes, H. Hayes) v. Centre (J. Wyllie, M. Siwek, L. McWilliam, H. Roeder).

B3 — Maribyrnong (D. Jones, E. Bradfield, W. Gosling, F. Kovacs) v. Weststers (M. MacGavin, F. Brown, J. Wilson, J. Goucher).

C2 — Ballarat Road Methodists (R. McInnes, A. Richardson, E. Richardson, N. Thomas) v. Tutt Bryant (C. Short, H. Davies, J. Fraser, L. Anson).

C1 — Altona (K. Weston, J. Noble, M. Welsh, A. Fox) v. Altona North Technical School (J. Wild, T. Delmenico, E. Sanka).

D2 — Rheem Containers (J. Barnes, W. Kinder, P. Czerniecki, M. Lahey) v. Reckitt & Coleman (R. Wendt, P. Berry, P. Ward, R. Saker).

HOCKEY:

U. 12 HOCKEY TEAM WIN
GRAND FINAL

Altona's Under 12 hockey team defeated Brunswick 2-0 to win the northern zone Premiership flag last Saturday.

Altona did not lose a game for the whole season and Peter Symons and David Hibbert across the backline, combined well with Steven Smith in goals, to keep the opposition scoreless in the two finals matches. Goals were scored by Geoff Studley and Maurice Burgess.

In the Under 14 grand final Altona were defeated by M.H.S.O.B. 4-1. Although the team is loaded with talent they lost because they failed to play as a team. It was a good effort on the boys' part to make the grand final.

The senior players defeated Waverley 1-0. The goal was scored by Bruce Forrester. The win helps the "A Reserve" team regain second place.

Best players were Wal Lenyszyn, Box Verity and Richard Lukoszek.

Altona B Grade played at Reservoir and had a good win over a team who were higher on the ladder. It was B Grade's biggest win for years with a score of 7-0.

Goals were scored by: Eric McAuley 2, Ross Ford 2, Dorner 2, Bennett. Best player: Terry Woodcock.

"D North" team also played at Reservoir in a vital match against the 4th team. Altona played with only 9 players but never gave an inch. Lionel Haslam, backed up by Norm Hunter, really gave the team the spirit to draw 1 all with Reservoir. Goal was by Norm Hunter.

A grade played their second Sunday game and regained second position on the ladder by a brilliant 2-0 win over second team Camberwell.

Goals to P. Hunter and R. Lukoszek.

CLUB NOTES:
U. 12 to play an inter-zone grand final next Saturday morning, details in Frank's Menswear window Friday.

Under Age Presentation Night next Friday night, at the Methodist Hall, Seves.

AUSTRALIAN SYNTHETIC RUBBER CO. LTD.

requires a

LABORATORY
TECHNICIAN

for a newly created laboratory position in the Technical Department of our Company, which operates a modern Styrene Butadiene and Polybutadiene Synthetic Rubber manufacturing plant in Altona. Applicants should hold a recognised certificate in Chemistry or have passed the equivalent of two years full time study toward a Diploma in Applied Chemistry or Science. A minimum of four years' laboratory experience as a Technical Assistant is required.

An attractive salary will be negotiated. Other benefits include a pension plan and free life insurance.

Applicants should apply in writing to Mr. T. R. Malcolm, Employee Relations Officer, or telephone 399-2333 for an interview.

AUSTRALIAN SYNTHETIC RUBBER
CO. LTD.,
Maidstone Street, Altona West.

PLANT CLEAN UP
OPERATORS

AGE 25 - 45 YEARS

We require men to work as Plant Clean-up Operators in our synthetic rubber manufacturing plant in Altona.

Applicants must be prepared to work shift when required. A sound basic education is required since prospects for promotion from this position are available.

A competitive commencing wage will be offered to the successful applicants.

Benefits include a voluntary Superannuation Scheme, subsidised cafeteria and provision of overalls and other protective clothing.

Further inquiries should be directed to: Mr. T. R. Malcolm, Employee Relations Officer, or telephone 399-2333.

Wanted Part Time.
LAVERTON.
Phone: 399-1432
A.H. 399-1696.

SITUATION
VACANT

ALTONA area only. Woman wanted to mind 3 young children for 1 day only. Saturday, August 30. Apply 52 Millers Rd., Altona.

LABORATORY
TECHNICAL
ASSISTANT

Applications are invited for appointment as a Technical Assistant in the Technical Services Laboratory of our Marketing Department. It would be preferred if applicants had some chemical background or had previous laboratory experience. Duties involve mixing of vulcanising ingredients into raw rubber to produce test mixtures which are then cured and examined for their physical properties.

A competitive rate of pay will be offered to the right man. Other amenities include an excellent pension plan, subsidised cafeteria and an active social club. Together these make this a very worthwhile appointment.

Applicants please apply in writing to T. R. Malcolm, Employee Relations Officer, or telephone 399-2333, for further particulars.

AUSTRALIAN SYNTHETIC RUBBER
CO. LTD.,
MAIDSTONE STREET, ALTONA WEST.

PUBLIC NOTICE

JUSTICES ACT 1958

Second Schedule —
Form 1.

Information for an Offence Punishable Summarily and Summons thereon.

In the Court of Petty Sessions at Williamstown. In the Central Bailiwick. John Mellors, Inspector and Authorised Officer of City of Altona: Informant. Owner Unknown: Defendant.

The information of the said John Mellors, of Civic Offices, 115 Civic Parade, Altona, 3018, in the State of Victoria, who saith that the said defendant on the Eleventh (11th) day of August, 1969, at Lot 2, 216-230 Blackshaws Road, Altona, in the said Bailiwick and State, was the owner of one (1) Bay Gelding Unshod: N.V.B.: Star on forehead: Black mane: which was found thereon without any person being in charge thereof contrary to Section 41 Part 1 of the Fifteenth (15th) Schedule of the Local Government Act 1958 such HORSE having been seized by Robert Clyde Heyen, a proper officer of the City of Altona.

John Mellors, Informant. To the above owner "Unknown".

Whereas the above information has this day been laid by the above-named Informant before me, one of Her Majesty's Justices of the Peace in and for the said Bailiwick of the said State: These are therefore to command you in Her Majesty's name to be and appear on the 22nd day of August, 1969, at the hour of 10 o'clock in the fore noon at the said Court of Petty Sessions at Williamstown to answer to the said information and to be further dealt with according to law.

Dated at Altona, the 19th day of August, 1969.
L. Carruthers, J.P.

 (ONE DOOR FROM BEACH)

How Buxtons Operate

BUXTON'S believe that the advice of an agent, like that of a lawyer or physician, must be unprejudiced — even brutally frank at times. Otherwise the real estate agent is of little value to the potential seller.

Selling prices must be set according to basic appraisals, and a thorough recognition of the law of supply and demand.

This is why BUXTON'S have achieved success. They have dared to tell the TRUTH at the risk of losing a listing. However, in the final analyses, it is far better to know the REAL market value of your property than to suffer the tortures of misleading expectations.

**It is no guess-work when you call
 BUXTON'S . . . it is our profession.
 So when you call BUXTON'S you had
 better start packing**

**PHONE MRS.
 JENKINS NOW
